XCHANGE

NEWSLETTER

June 2021

Welcome to Xchange

Here we are again with the second issue of Xchange for 2021 our newsletter dedicated to our Financial Markets customers. I know we are all still experiencing challenges around COVID 19, so I hope you and your families are all safe and well as you read this. We have been very busy here at TNS and we have lots of accomplishments to update you about.

In this issue you can read about three exciting new enhancements we've added with Japan Exchange Group (JPX), Brazil B3 and Singapore Exchange (SGX). In addition, we have also been shortlisted for three awards and we have some press interviews to share with you too. Read on for all this and more.

If you would like to know more about any of the subjects covered in this issue, please do not hesitate to get in touch with your account manager or email financial@tnsi.com.

Tom Lazenga

Vice President, Global Sales

TNS Launches Managed Hosting Solution for JPX Traders

TNS is strengthening its already robust portfolio by bringing its popular [Managed Hosting](#) solution to Japan Exchange Group's Tokyo-based colocation facility. TNS now offers a full suite of low-latency services including order routing and market data access for the exchange's impressive portfolio.
