## Introduction

Welcome to the latest issue of our Xchange newsletter. We have entered 2022 on a wave of investment and new product development that firmly makes us the strongest partner in the market for your business. We're expanding our reach to even more exchanges which means we can provide access to market data from every US equity options exchange and a growing number of newer players across Africa, Europe and Asia.

We hope you enjoy reading this edition which shares an interesting new report from knowledgeable analyst Celent, as well as our helpful data center migration guide for those challenged with the moves in Bergamo and London. If you have any questions about the subjects covered in Xchange, please do not hesitate to email [solutions@tnsi.com](mailto:solutions@tnsi.com) or speak to your account manager.
