## Welcome to Transact

I am delighted to welcome you to another content packed edition of Transact, the first for 2021. After a turbulent 2020, we are seeing positive signs of recovery as we all adapt to new ways of working and head towards Q2. I'm sure this year will bring new innovations and some of the trends which began during the pandemic may be here to stay, read more in our blog; [The Year Ahead: A View of Payments in 2021 in a COVID-19 World](#) in which we discuss further.

Also, in this issue we are thrilled to announce our new SD-WAN partnership with Z Energy and provide information on educational new industry webinars that we are hosting. We're also delighted to reveal that TNS has been included in the NVTC Tech 100 for the third year in a row.

If you would like to know more about any of the subjects covered in this issue, please do not hesitate to contact your account manager or email [solutions@tnsi.com](mailto:solutions@tnsi.com).
