February 2026

## Introduction

This special edition of Connect brings exciting news as we share that we are merging select iconectiv Information Solutions platforms with TNS' Communications Market business. With these added capabilities, our customers benefit from a wider, more integrated suite of products designed to secure, optimize, and scale communications with confidence.

Keep reading to discover more about this integration, new leadership roles and an upcoming collaboration at MWC26 Barcelona.

## Meet the New TNS Communications Market Leadership Team

We're pleased to announce a new leadership team that will help grow and refine TNS' Communications Market business in 2026 and beyond.

**Michael O'Brien**, previously Executive Vice President of Business Development at iconectiv, will lead the product organization as Chief Product Officer, managing the combined product portfolios of mobility, roaming, voice transformation, robocall mitigation, enterprise solutions and information services.

**Chris Rivera**, most recently President and Operating Partner at SCP & Co, a private equity firm based in Tampa, joined TNS in late 2025 and has assumed the role of Chief Technology Officer leading the data science, engineering, and technology architecture teams.

**Mike Swade**, TNS' current Vice President of Sales will continue to lead the sales teams for all TNS Communications Market offerings.

Finally, **Michael Iwanoff**, will head up Information Security as Senior Vice President, **Sharon Oddy** takes on the role of Vice President of Marketing and **Jim Boyer** will lead Integration and Transformation as Senior Director.

## Merger Strengthens TNS' Communications Market Capabilities
